DESCRIPTION OF THE ITEM

Marine Glo™

DIETARY SUPPLEMENT

Beauty begins with everyday choices

Every day, our skin is exposed to many factors – an intense lifestyle, stress, and environmental influences. It is our daily habits that can make a difference to its condition and appearance.

Marine Glo™ is a carefully developed formula combining **5 g of hydrolyzed fish collagen** with vitamin C, biotin, niacin, and branded **FloraGLO®** lutein. The product was created for people who want to consciously take care of themselves every day and choose high-quality ingredients.

Carefully selected blend of ingredients

5 g of hydrolyzed fish collagen

Each sachet provides 5 g of hydrolyzed marine-sourced collagen – an ingredient valued by those who want to support their daily beauty routine from within.

Vitamin C:

- contributes to normal collagen formation for the normal function of the skin,
- helps protect cells from oxidative stress,
- contributes to the reduction of tiredness and fatigue.

Biotin helps maintain healthy skin.

Niacin:

- helps maintain healthy skin,
- contributes to normal energy-yielding metabolism,
- helps reduce tiredness and fatigue.

FloraGLO® Lutein

Marine Glo™ contains 10 mg of branded FloraGLO® lutein – an ingredient that is part of the product's carefully developed formula.

Daily beauty ritual

Marine Glo™ comes in convenient sachets with a tropical flavor that you can prepare in just a few moments.

How to use?

Dissolve the contents of one sachet in **355-473 ml of water** and consume once daily.

Why choose Marine Glo™?

- 5 g of hydrolyzed fish collagen in each serving.
 - Vitamin C supports normal collagen formation for the normal function of the skin.
 - Biotin and niacin help maintain healthy skin.
 - Convenient sachets – ideal for home, work, and travel.
 - Tropical flavor with no added artificial flavors or colors.
-

Marine Glo™

Daily self-care begins with small steps.
