DESCRIPTION OF THE

ITEM

This intensive night cream is ideal for a skin in need of anti-ageing care and deep nutrition.

A fantastic, full-bodied yet gentle night cream, created especially for skin care during sleep, i.e. when the cell renewal process is the most intense. It actively fights wrinkles and makes them less visible by closing and smoothing them. It has an instantaneous effect on a tired and dull complexion. The product contains ingredients with high anti-ageing power, which restore skin firmness and strengthen tissues. Every time you wake up, you will be pleasantly surprised: the skin will be rested and lifted, and the effect will last for several hours.

Full-bodied. Thick. Light. Easy to spread.

Effects:

- moisturising
- anti-ageing
- anti-wrinkling
- face lifting and improving facial contour
- supporting antioxidation
- skin lightening

Main active ingredients:

Hyaluronic acid

due to its ability to bind and retain water, it acts both as a direct moisturiser, by supplying water to the stratum corneum, and as an intermediate moisturiser, by creating a layer that prevents moisture evaporation. The skin is moisturised for a long time.

Shea butter and sunflower seed oil

mature skin loves ingredients rich in vitamins E, D3, A, F and K. The oils promote cell renewal and they are rich in polyunsaturated fatty acids. They are perfect for dry skin as they moisturise exceptionally well.

Vitamin E

a vitamin of youth, a powerful antioxidant. It smoothes and soothes the skin as well as maintains the level of its hydration.

Barley grain extract

rich in polyphenol derivatives, thus having many antioxidant properties. It is a perfect anti-ageing ingredient; it prevents wrinkles. It improves microcirculation and nourishes the skin.

Vegetable glycerine

creates a moist protective layer on the epidermal surface, nourishes the skin and prevents moisture loss. The glycerine restores elasticity, softness and smoothness of the skin.

Advantages: does not contain parabens, paraffin, formaldehyde, dyes, silicones

Application: in the evening, before bedtime – apply on the cleansed face and neck, gently massaging.

Effect: improved facial contour; smoothed wrinkles; firm, delicate skin; healthy skin tone.

Ingredients: aqua, isononyl isononanoate, cetearyl alcohol, octyldodecyl myristate, butyrospermum parkii butter, cetyl alcohol, glycerin, helianthus annuus seed oil, cetearyl glucoside, phenoxyethanol, ammonium acryloyldimethyltaurate/vp copolymer, phenoxyethanol, propylene glycol, propanediol, parfum, xanthan gum, decylene glycol, tocopheryl acetate, PVP, hordeum vulgare seed extract, sodium hyaluronate
