DESCRIPTION OF THE ITEM

ULTRASONIC DIFFUSER

The ultrasonic diffuser from Nature's Sunshine elegantly and conveniently fills your home or workplace with luxurious, invigorating, and soothing aromas of original essential oils from Nature's Sunshine.

Thanks to advanced ultrasonic technology with vibrations at a frequency of 2.4 million times per second, oil molecules are dispersed in a stream of water mist.

The diffuser does not heat the contents, so the essential oils do not lose their natural, authentic aromas and health benefits.

Easy to use! Just add distilled water and original essential oil from Nature's Sunshine.

For use with original essential oils from Nature's Sunshine:

- Advanced ultrasonic technology

- Capacity: 300 ml
- Adjustable working time (60, 180, 360 minutes)
- Automatic shutdown
- LED illumination in various colors
- Your favorite fragrance throughout the house - coverage up to 30 m²
- Helps humidify rooms
