DESCRIPTION OF THE ITEM

ZINC ALT

DIETARY SUPPLEMENTS

Zinc is an excellent mixture of algae, alfalfa, thyme and zinc. Zinc helps maintain healthy bones, nails, hair and skin. In addition, zinc ensures proper acid-base balance, proper metabolism of micronutrients; it supports fertility and reproductive functions. What is more, zinc is vital for proper eyesight. Zinc contains thyme leaf as well, which has traditionally been used to improve digestion, but also has a soothing and pleasant effect on the throat and vocal cords.

- The product complements the daily diet with zinc.
- Zinc is also needed for the growth and development of bones.
- Thyme leaf has traditionally been used to improve digestion.
- Kelp (ascophyllum nodosum), contained in the product, reduces the absorption of fats and contribute to the removal of their stores, and thus affects weight.
