DESCRIPTION OF THE ITEM

Bremani Care hair conditioner, thanks to its carefully selected ingredients, is perfect for everyday use with a shampoo from the same family of products.

Panthenol, zinc, vitamin E and keratin give hair a healthy and brilliant appearance, leaving it shiny and soft.

Formula specially designed for normal and oily hair.

- Hydrolysed keratin forms a protective barrier on the hair's surface and is particularly effective at regeneration.
- Vitamin E is an excellent antioxidant – promoting hair growth, helping prevent loss of colour and shine, as well as hair loss.
- Zinc protects the hair structure and softens it.
- Polyquaternium-7 is a cationic polymer that helps comb out hair. It prevents dull hair and damaged hair
