DIETARY SUPPLEMENT

HSN-W (Hair Skin Nails - Woman) – Beautiful hair, healthy skin and strong nails!

Looking for comprehensive support for your hair, skin and nails? HSN-W is a dedicated dietary supplement designed specifically for women to help you achieve beautiful and healthy hair, radiant skin and strong nails.

The main ingredients of HSN-W:

Dulse is a natural source of antioxidants that can help protect skin cells from free radical damage.

Field horsetail is rich in nutrients such as silicon, which is essential for the production of collagen, a protein responsible for the elasticity and healthy appearance of skin, hair and nails. Field horsetail can also strengthen hair and nails, helping to keep them looking healthy.

Sage leaf supports well-being during menstruation.

Rosemary leaf is rich in antioxidants, which help to fight harmful free radicals and support skin cell health. In addition, rosemary supports the excretion of water through the urinary tract.

How it works

Hair: HSN-W supports healthy hair, helping to maintain its strength, shine and elasticity. Ingredients such as field horsetail and dulse can affect the condition of the hair, providing it with the appropriate nutrients.

Skin: Rosemary can help maintain healthy and radiant skin. Its antioxidant action can protect the skin from damage and support its natural regenerative processes.

Nails: HSN-W can help strengthen nails, helping them to maintain a healthy appearance and resilience. Field horsetail can contribute to increasing their strength.

Take care of your hair, skin and nails with HSN-W (Hair Skin Nails - Woman). Choose natural support for beauty and health, created especially for you.

KEY INGREDIENTS:

Active ingredients:	In a daily portion
	(6 capsules)
Dulse	
(<i>Rhodomenia palmata</i>)	984 mg
