DESCRIPTION OF THE

ITEM

CHOLESTER - REG

DIETARY SUPPLEMENTS

We present a formula developed to address the problem of too high cholesterol levels, which affects about 70% of Poles. The composition includes artichoke leaves, an ingredient with a significant effect on cholesterol, body weight, liver and the entire digestive system. Cholester-Reg also contains plant sterols, which help maintain normal cholesterol levels when consumed in amounts of at least 0.8 g per day. Each capsule contains 10 mg of resveratrol obtained from Japanese knot weed, which is a natural antioxidant that protects against free radicals. Use Cholester-Reg regularly in conjunction with a healthy diet and active lifestyle, and beat cholesterol.

Fight for your heart!

PLANT STEROLS

- They help maintain normal cholesterol levels in blood
