DESCRIPTION OF THE ITEM

The MEN Set was created for men who want to take care of their health and well-being at every stage of life. This comprehensive package combines products that support various aspects of men's health—from energy and urinary tract support to joint health and cholesterol control. It's a powerful combination designed to care for male health on many levels—energy, urinary tract, joints, and heart. Thanks to this all-in-one formula, taking care of your health becomes easier and more effective.

W skład zestawu wchodzi:

Boost – a supplement that delivers natural energy, supporting both physical and mental activity. Perfect for men with a busy lifestyle who need an extra boost of motivation.

Ury – a formula supporting urinary tract health. Helps maintain the proper function of kidneys and the urinary system—crucial for everyday body care.

Chondroitin – a component that supports joint and bone health, especially for physically active men or those experiencing age-related changes. It aids cartilage regeneration and ensures joint flexibility.

Cholester-Reg – a product that helps maintain healthy cholesterol levels, supporting the body's natural mechanisms in managing blood lipid levels.

Power Meal Vanilla – a nutritious meal in shake form, ideal for men looking for a convenient and filling meal alternative. Great for breakfast or a snack.
